The Thorsen Guarantee

ALL THORSEN TOOLS ARE UNCONDITIONALLY GUARANTEED. ANY TOOL THAT DOES NOT PERFORM TO OUR CUSTOMERS' SATISFACTION DURING NORMAL USE WILL BE PROMPTLY REPAIRED OR REPLACED.

4

**GOOD
REASONS**

TO SELL THORSEN TOOL PRODUCTS *The brand your Customers prefer.*

- 1** QUALITY PRODUCTS AND UNCONDITIONAL GUARANTEE
- 2** MERCHANDISING PROGRAMS AND PACKAGING LEADERSHIP
- 3** CUSTOMER SERVICE AND DEPENDABLE SOURCE
- 4** COMPETITIVE PRICING AND MAXIMUM PROFITS

THORSEN PRODUCTS are the BEST THAT MONEY CAN BUY!

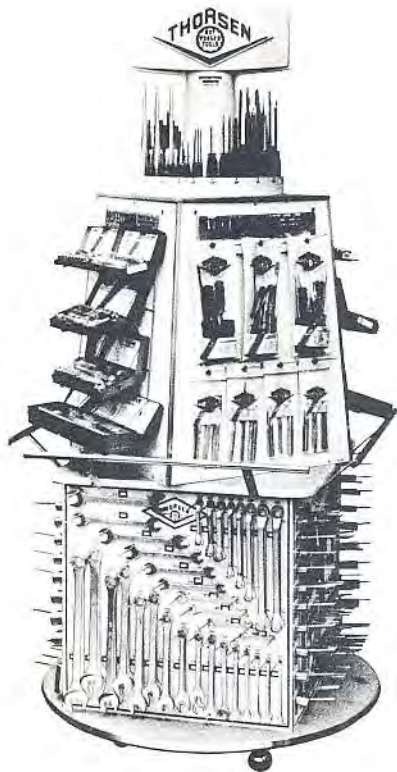

Each tool has been designed to insure the proper combination of tensile strength, heat treatment and durability to meet the most demanding needs of professional mechanics. **ONLY THE HIGHEST QUALITY STEELS ARE USED**— a variety of steels, job engineered for each specific tool. **EACH TOOL IS UNCONDITIONALLY GUARANTEED!**

THORSEN MERCHANDISING TECHNIQUES THAT REVOLUTIONIZED AN INDUSTRY INCLUDE:

- FIRST** Fully-Integrated Wall Display
- FIRST** Fully-Integrated Floor Display
- FIRST** Skin-Packed "LOCKED-IN-THE-BOX" Sets
(U.S. Patent No. 3096877)
- FIRST** Factory Planned, Fully-Developed, Field Sales Program
- FIRST** Factory Conducted Direct Jobber and Dealer
Promotional Mailings

AL 4040

DISPLAY FEATURES

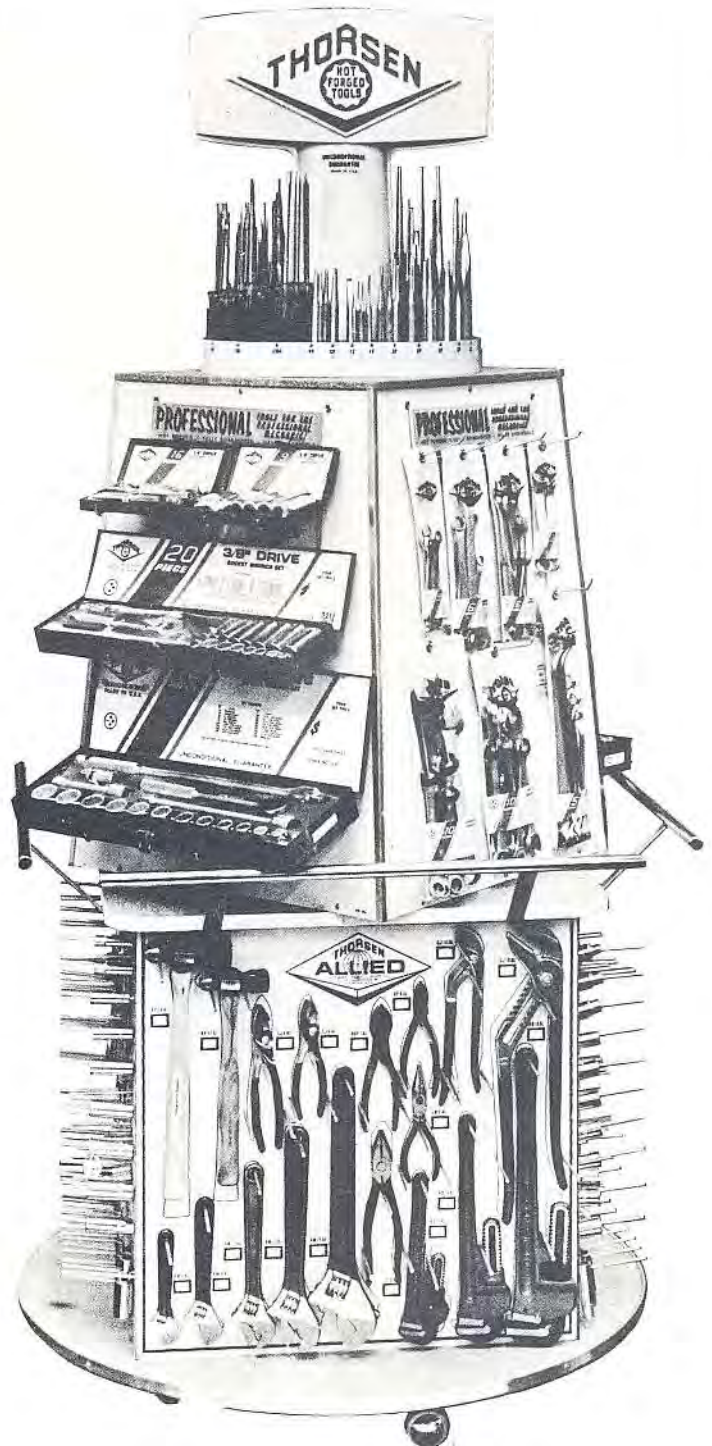

- Chrome turning bars
- 36" diameter
- Ball type casters
- Attractive plastic crown
- All displays clearly show tool outline and stock number — for easy reorder

For nearly 50 years Thorsen has been providing its customers with the finest in mechanic's hand tools at lowest industry prices. In keeping with this tradition of giving *value* to its customers, Thorsen is pioneering as the *first major manufacturer* to have certain carefully selected tools produced overseas to our design and specifications and pass the savings on to our customers. Thorsen guarantees unconditionally all tools branded Thorsen-Allied.

Thorsen-Allied's red, white and blue display panel is incorporated into the industry's leading tool display program—Thorsen's fine selection of popularly priced mechanics' hand tools.

THORSEN-ALLIED

- 18 popular top sellers
- 40% dealer profit!
- Thorsen's unconditional guarantee
- A major national name
- Guaranteed availability

MERCHANDISERS

DISPLAY FEATURES

- Chrome turning bars
- 36" diameter
- Ball type casters
- Attractive plastic crown
- All displays clearly show tool outline and stock number — for easy reorder

Completely new, this compact, attractive display is the ultimate in revolving hand tool merchandisers — that magic basic 20% of the items in your tool department that produce 80% of your tools sales are displayed in a manner that sells a profitable set to the person that stopped in for just one tool.

Only 36" in diameter, it is constructed of high pressure, plastic laminate that insures a long lasting, bright display easily cleaned with a damp cloth.

This focal point of any tool department revolves on a heavy duty ball bearing base and the entire display is on heavy duty ball type casters — both features which will help insure the highest degree of sales per square foot of selling space utilized.

MERCHANDISERS

DISPLAY FEATURES

- Chrome turning bars
- 36" diameter
- Ball type casters
- Attractive plastic crown
- All displays clearly show tool outline and stock number — for easy reorder

Completely new, this compact, attractive display is the ultimate in revolving hand tool merchandisers — that magic basic 20% of the items in your tool department that produce 80% of your tools sales are displayed in a manner that sells a profitable set to the person that stopped in for just one tool.

Only 36" in diameter, it is constructed of high pressure, plastic laminate that insures a long lasting, bright display easily cleaned with a damp cloth.

This focal point of any tool department revolves on a heavy duty ball bearing base and the entire display is on heavy duty ball type casters — both features which will help insure the highest degree of sales per square foot of selling space utilized.

DISPLAY FEATURES

- Chrome turning bars
- 47" diameter
- Ball type casters
- Attractive plastic crown
- All displays clearly show tool outline and stock number — for easy reorder

Completely new, this compact, attractive display is the ultimate in revolving hand tool merchandisers — that magic basic 20% of the items in your tool department that produce 80% of your tools sales are displayed in a manner that sells a profitable set to the person that stopped in for just one tool.

Only 47" in diameter, it is constructed of high pressure, plastic laminate that insures a long lasting, bright display easily cleaned with a damp cloth.

This focal point of any tool department revolves on a heavy duty ball bearing base and the entire display is on heavy duty ball type casters — both features which will help insure the highest degree of sales per square foot of selling space utilized.

Not just a row of 2' x 2' display boards—Thorsen's wall merchandising program is a fully integrated set and open stock hand tool program—designed and proven as a program that results in high dollar sales, 70% of which are high ticket, high profit set sales.

Each board contains a popular, carefully selected grouping of those tools in greatest demand—the 20% of the tools that produce 80% of the hand tool sales dollar.

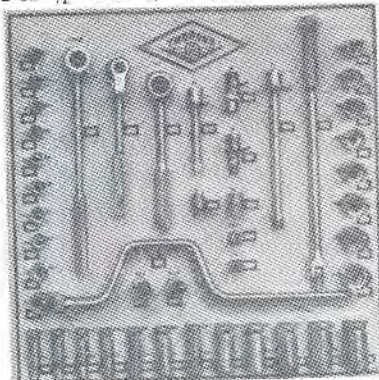

It's a proven fact—Thorsen's eye catching wall merchandising program makes the 12 lineal feet it requires the most profitable space you have—profit assured by low investment, high turnover AND the backing of Thorsen's "Unconditional" guarantee.

Tool unconditionally guaranteed to perform without distortion or damage within indicated load limits and to maintain an accuracy within $\pm 2\%$ of maximum scale reading.

NEW

WALL DISPLAYS

Dept. 48 Punch, Chisel and Screwdriver Display

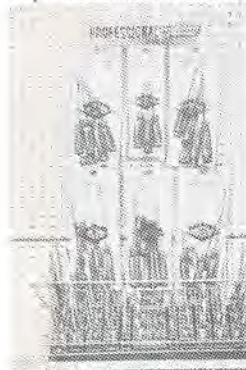

A selection of four popular punch and chisel sets, three screwdriver sets, and sixteen different open stock punches, chisels and screwdrivers. Sets packed in reusable vinyl pouches—open stock appeals to impulse buyer in eye catching rugged plastic tray. Every tool unconditionally guaranteed.

Weight: 40.5 lbs.

Dept. 66 Screwdriver Display

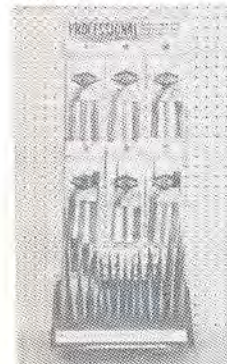

A proven wall display that sells screwdrivers in high profit sets rather than one at a time. Six different "Glitter Pak" pouch sets, each specially designed for either the electrician, the mechanic, or the homeowner highlight the display. Four Phillips head and eight plain blade sizes comprise an open stock selection that is the key to selling sets. Alloy Blades—true Phillips heads—four fluted extruded plastic handles.

COMBINATION SOCKET SETS

SET NO. 4089
1/4" - 3/8" - 1/2" Drive
89 Pc. Combination Set

Eighty-nine major pieces consisting of carefully selected 1/4", 3/8" and 1/2" drive sockets and attachments, plus seven combination wrenches. Thorsen's most popular combination set over the years, this well-balanced selection of socket and combination wrenches covers all popular sizes with regular, deep and universal sockets. Perfect for professional automotive mechanics, marine service, and general service and repair operations. This functional unit comes packed in a large two-drawer steel chest with removable tote tray and ample room for other mechanic's tools.

COMBINATION SOCKET SETS

SET NO. 40106
106 MAJOR PIECE
MASTER
COMBINATION SET
1/4" - 3/8" - 1/2" Drive
plus
Wrenches - Screwdrivers - Pliers

Thorsen's largest and most complete combination set, it is specifically designed for the professional. Completeness in 1/4", 3/8" and 1/2" drive, plus a 10 piece combination wrench set, 9 piece screwdriver set, adjustable wrench, pliers and diagonals makes this an excellent choice for all mechanics. It's a repair shop in itself, and comes in Thorsen's new double drawer chest with built-in lock with key—no padlock required.
